

# Helping Children, Comforting Families

## *Sport A Shirt, Share A Night*

Reaching out to families who are caring for a sick child is what the Ronald McDonald Houses do everyday. We are a “home away from home,” providing comfortable accommodations, meals, and an emotionally supportive environment for parents, siblings and grandparents of children who are receiving treatment at area hospitals. You and your fellow co-workers can be part of this meaningful work by participating in **Sport A Shirt, Share A Night**. Your gift will help families from all over North Carolina, across the United States, and around the world. Together, we serve over 2,800 families each year.

*Please consider buying a \$10 t-shirt* in support of the Ronald McDonald Houses of Chapel Hill and Durham. UNC Hospitals has endorsed this event and will encourage all who participate to wear the Sport A Shirt t-shirts on Friday, April 20<sup>th</sup>. The design on the shirt is at the top of the page. We’ve secured sponsorships to pay for all costs related to the event, so your entire gift of \$10 will go to families who need it most. It costs us \$40 per night to provide food, lodging and a caring environment to families. We ask them for a donation of \$5-10, but many are not able to pay even this small amount.

***Your gift will go directly to families who need your support.  
Please order your shirt today!***
