

Sport A Shirt, Share A Night 2010

Supporting the Children and Families of the
Ronald McDonald House of Chapel Hill

Imagine that for only \$10, you could “**share**” a night of comfort, support, and companionship with a family whose seriously ill or injured child is receiving treatment in the hospital. That by “**sporting**” a shirt, you could take away some of the worry, the stress, and give families comfort and hope. You can - and it’s **EASY!**

You can purchase a shirt for **\$10** and wear it on May 7th, as part of a state-wide casual day. Generous corporate sponsors have paid for the purchase and printing of more than 20,000 special “Sport a Shirt, Share a Night” t-shirts.

Every dollar raised will go directly to families in need.

See your team’s coordinator, _____,
for information about participating in this event.
